

## ***Dear Christian Friends:***

On behalf of all that have participated in your education or in the education of your loved ones Dr. Paul Kang and I welcome you in the name of the Lord to this graduation. We likewise welcome your fine professors from many countries around the world. We all realize that we are living in another historic period when those of this world are turning against our Lord. In the past God has been with us and the faith of Christ has time after time overcome evil and persecution. Now again our brethren are being persecuted in Africa and the Middle East, as well as in many other locations worldwide. Let us be valiant for the faith, the Lord is with us. This graduation marks another group of our Christian brethren trained for service for Him. There is no greater work, there is no better joy!

Let us keep in mind that.

John 16:33, "These things I have spoken unto you, that in me ye might have peace. In the world ye shall have tribulation: but be of good cheer; I have overcome the world."

1 John 4:4 "Ye are of God, little children, and have overcome them: because greater is he that is in you, than he that is in the world."

Congratulations to the graduates and to those who have instructed and guided them. May the Lord guide and bless each of you, and may the Lord grant you joy in your service.
